The Marana High School Varsity football team encountered a few difficulties in their 1969 campaign. Key injuries to starting personnel upset the Tigers' bid for a third straight State Championship. The first injury came to *Bill Truman,* who broke his collar bone during P.E. a week before the season opener. All-State hopeful *Kirby Colter* suffered a broken leg in the Tigers' first game. The only consolation that can be found in his injury, is that he made the only Tiger score in the 26-0 loss to Tombstone. Just moments after that score he was clipped at the

line of scrimmage, causing him to have his leg in a cast for a period of several months. As the season progressed, the Tiger ranks began to dwindle even more so, due mainly to boys who decided to quit the team. At the end of the season only 25 ball players were left on the team. Many of the starters on offense also had to play defense because of the lack of depth on the squad.

Many new things were tried on the Varsity ball club this year. After the third loss in a row, the Tigers changed their offensive formation to the conventional straight "T" formation. They previously had used the "I" formation with a split receiver. The transition was made because of the lack of ball players to play the split position effectively. This change was instrumental in the comeback staged by the Tigers in the later part of the 1969 season.

Tony Komadina displays passing tactics.

Although the Tigers only had a 5-4 season, *Coach Hawkins* was pleased with the performance of the young personnel. A sizable portion of the Varsity team was made up of underclassmen this year. The Tigers dropped their first three games, only to come back and whip Benson 27-21 and crush Apache Junction 39-6. During the season it was evident that team spirit never faltered. It seems that playing experience was the major deficit of the Varsity squad. A compliment of experienced personnel will return next year, with high hopes of winning Marana's first Class "A" Championship.

Cubs Lack Depth; Frosh Find Starting Spots; J.V.'s Taste Defeat at Hands of Class "A" Rivals

The Marana High Junior Varsity seemed to have too many unseasoned ball players this year. Many highlights were experienced by the J.V. squad, however. The running of *Bob Mullens, Elester Jones* and *John Martinez* showed that next year on Varsity they could help bring a Class "A" Championship home to Marana. After losing their first few games, the Cubs also changed their offensive set to the straight "T", similar to the Varsity transition. This change was instrumental in that the Cubs played .500 ball in the last half of the season.

The Coolidge Bearcubs try vainly to stop *Kevin Komadina* on a driving jump shot.

What happens to a team, which is normally made up of juniors and sophomores, when three Freshmen are put on the roster? This year three well seasoned ballplayers were developed. *Gary Snyder, C.B. Pitts* and *Charlie Alexander* were moved to the intermediate team to allow other Frosh to gain valuable playing experience while still on the Freshman squad. *C.B.* moved into a starting position soon after the season got under-way. *Gary* and *Charlie,* who moved up after the Christmas Holidays, alternately started for older and more seasoned players. This year *Coach Acker* was in abundance of what is often a coaches night mare.

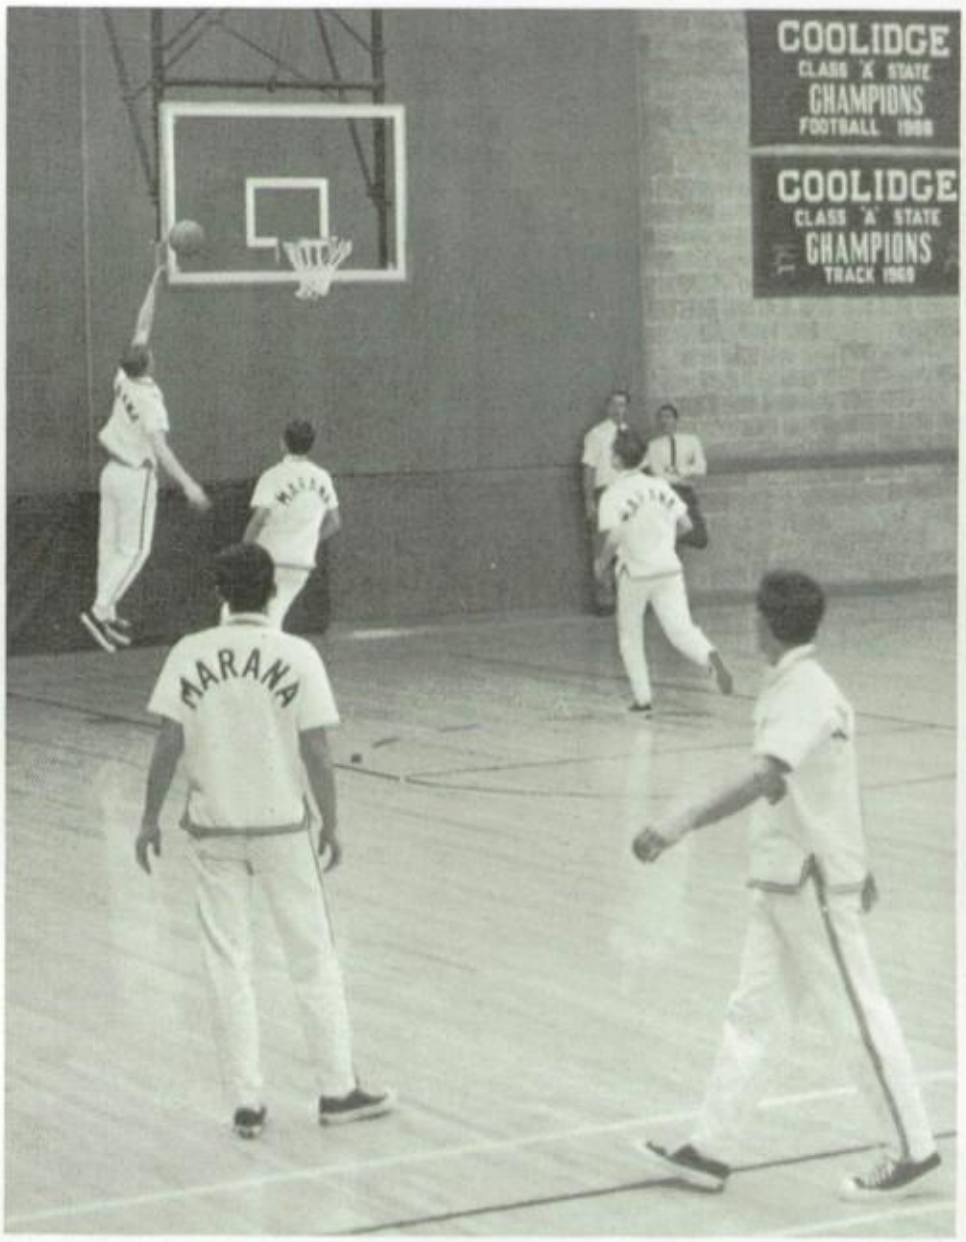
He had five boys over the almost "magical" height in high school ball of six feet tall. Due to this asset, board strength was one of the strong points of this year's squad. Another fine asset to the team was *Gordon Garcia,* who through long hours of work developed a fine "touch" on the ball. The J.V.'s also developed a fine pressing defense midway through the season. Prior to this, it was only a varsity ball characteristic.

Coach Patton sets up a zone press prior to the Benson encounter.

The 1969-1970 Varsity Basketball Team underwent few changes from last year's State Championship Team. Prior to the season opener with Coolidge, it was doubtful as to whether or not the Tigers would be able to sustain a fast-break offense and full court press defense for a whole game, typical of last year's performances. In the Coolidge game *Mike Sanchez, Ed Campbell, Ron Abril* and *Rush Holleman* displayed outstanding speed in the back court. The rebounding strength of *Bill Truman, Winford Lewis, Lewis Harry* and *Tony Komadina,* helped balance the running attack, which has won the respect of opposing coaches statewide for the past five years. In 1970 the Tigers continued to dominate Class "B" cage competition by capturing the Conference crown for the second time in as many years.



Coaches Patton and *Acker* observe the Tigers as they run through their pre-game warm up during the Coolidge Holiday Tournament.

Elester Jones uses a forearm breakdown in his match with San Manuel.

Lloyd Reed drives for a pin; he later *got* pinned!

Marana's wrestlers just couldn't seem to make the grade this year. Through their first seven matches only one could be claimed as a victory for Marana. The philosophy used this year by the matmen was to work hard in the dual matches, then to make a sweep of the State-Playoffs. Often during the year, only half of the squad was in attendance at their practice sessions. This lack of interest in the pre-match workouts often showed up in their performances in the real contest. There were, however, a few who were dedicated in their work. *Ben Batson* seemed most inspired, for he captured 3rd place in State competition.

Can the Tigers repeat last years State Championship in baseball? This Question popped up continually during the 1969-1970 school year. The only six returning lettermen had to work extra hard to compensate for the wide use of Freshmen in starting positions. *Bill Truman* was transfered from a catching position to first base. This allowed *Ricky Morales* to be on the receiving end of *Marc Bustamante's* and *Tony Komadina's* pitches. Both pitchers were hampered by ankle injuries prior to the start of the season, but both recovered in time for the opening weekend of conference action.

Ed Campbell* and *Lewis Harry* dominated the Long Jump, then later joined *Dick Doty* in the Hurdle competition. *Kirby Colter* gave the Tigers an added boost in the Pole Vault while *John Baldwin, Morris Slape* and *Ben Batson* ran the Long Distance races. Girl's Competitive Sports has been a part of Marana for four years. It was sponsored by Mrs. Perry Sublette. The team of approximately twenty four girls had a special class during sixth period. Throughout the year, various sports were played. They were volleyball, speed-a-way, hockey, basketball, archery, track, and softball. The girls could earn a letter for each sport. The year was ended with a banquet and a trophy was given for the outstanding athlete. Being on the team promoted good sportsmanship and fitness.

Outstanding seasonal records were compiled in the six sports in which the Girls' Competitive Sports Class met other schools. Volleyball proved to be the weak area of competition as the girls finished with a 2-win, 5-loss record. Hockey and speed-a-way ended in 1-tie, undefeated seasons. As the class entered their final basketball play, they had a perfect record with no losses. Several girls proved to be very strong in track events.

How simple it is just to flip a switch on the wall for electricity . . . your magic means to better and more modern living.

Your electric cooperative has made all this possible. Easier, more efficient and more profitable farm management . . . and all the work-saving electrical conveniences that cut hours away from household responsibilities.

It wasn't always like this. Residents of this area teamed together 25 years ago to combine their strength of purpose to make possible a better way of life. The cooperative they formed serves this area because no one else wanted to. This cooperative is dedicated to your service.

The 1970 El Sahuaro staff finds time to relax after completing their final deadline.

I would like to thank my staff for the tremendous job they did onthe 1970 El Sahuaro. They are: Terry Anway, Student Government; Lucille Bourget, Student Life; Pam Collins, Underclassmen; Wayne Dahler, Photographer; Dennis Dolan, Photographer; Kathy Eckle, Business Manager; Gwen Hester, Seniors; Tony Komadina, Sports; Marty Linsenbigler, Photographer; Stacy Manzer, Copy Editor; Kathy Miller, Academics; Joy Reyher, Underclassmen; Mike Sanchez, Royalty; Carol Sanders, Organizations.

My special thanks go to Stacy for the long hours of checking copy and finishing pages, to Dennis for his willingness to always go places on short notice and not complaining; to Gwen for her fine headlines; to Kathy for making the 1970 El Sahuaro possible with all her financial efforts and finally to Mrs. Ludeke for long nights after school and her great organizational qualities.

Tricia Barnett, Editor
